Commenting on the changes to the Board, Tony Gardner-Hillman (Non-Executive Chairman) said: “The Cambium team is sad to see the departure from the board of Roger Lewis, a director of stature whose vast experience has been enormously helpful and who has served the company so well since he joined the board in 2013. Roger is now keen to reduce his business commitments to focus on other priorities and he departs with the respect of all his colleagues at Cambium and with their thanks. We are pleased to have been able to facilitate Roger’s departure by recruiting Mark Rawlins as his successor. Mark brings with him his own wide experience over many years as a business lawyer and non-executive director and we are confident that the leadership team remains robust to take Cambium through the final stage of its journey.”.
